After section R502.2.2.1.1, add a new section to read: <u>R502.2.2.1.2 Deck Flashing.</u> Decks and deck ledgers shall be flashed in accordance with Section R703.8 Flashing.		
REASON AND FISCAL IMPACT		
<p>All for clarification and additional information. This just gives another section in the code book to flag this area. The flashing section is somewhat obscure by itself in Chapter 7, relating to these components here in Chapter 5.</p> <p>There is still a problem at least in my neck of the woods with a lack of knowledge that decks, which are attached to the dwelling, need to be flashed.</p> <p>No financial impact, unless the flashing is omitted, then it would be a large financial impact later to the homeowner.</p>
